Dear Sirs

**REFERENCE FOR THREE SIXTY PROJECT MANAGEMENT LIMITED**

G3 Whittle Limited are pleased to be able to provide a Company reference for Three Sixty Project Management Limited. G3 Whittle Limited own and manage a ten storey commercial office premises in central Nottingham.

Three Sixty Project Management Limited were engaged by ourselves to act as Project Managers and Quantity Surveyors in relation to a series of office suite fitting out schemes within our multi occupational building. The works covered floors 1,2,4,9 & 10 and were carried out over a period of two years to coincide with void periods within the building.

We were delighted with Three Sixty's professional and proactive approach. They quickly understood our requirements and ensured delivery of the scheme within our time, quality and budgetary objectives. They were particularly effective at handling the numerous unplanned changes to requirements.

Three Sixty have subsequently been consulted by ourselves on a number of other matters, both large and small, as well as on potential future developments. We would be delighted to work with them again.

Should you have any queries or wish to discuss any aspect further please do not hesitate to contact me.

Yours faithfully
